

The MARC is a member-led cooperative of Feeding America Food Banks serving the Mid-Atlantic Region from Maine to Virginia.

YOUR STRATEGIC PRODUCE PARTNER

The MARC works with each member to exceed distribution goals - saving both money and valuable staff time.

14 STATES

155 LOCATIONS

MARC MEMBER VALUE:

VARIETY - Members receive a variety of items per load in convenient packaging with both bulk and prepacked box options.

EXPERTISE - Experts in produce sourcing and coordinating transportation to meet all of your distribution and logistics needs.

CUSTOMIZATION - Individualized forecasting with sensitivity to each member's budget, preferences and capacity.

RESPONSIVE - Our team works with food bank staff to ensure the highest level of customer service.

GRANTS - Experienced in administering and deploying state, federal, and private funds with accurate and timely reporting.

DELIVERY OPTIONS:

We coordinate and schedule deliveries direct to your food bank, agencies and distribution sites from a few pallets to multiple truckloads.

"The MARC team has a lot of expertise. We rely on the MARC not just for produce, but also for guidance in terms of the produce market and trucking market. I constantly find myself referring to them for what works, and I think the MARC really is a model that the entire network should adopt."

- Max Hoffman, City Harvest
